Our Cell Phone Program NEEDS YOU!

Family Violence Prevention Center has been collecting used cell phones for six years. The phones are sold to Shelter Alliance in Florida which purchases them from domestic violence organizations. This opportunity provides a funding stream that is not available at the local level. All types of cell phones are accepted. FVPC recycles what is not needed (boxes/manuals, chargers) at Orange County Recycling Center.

We need **businesses, civic and religious organizations** to sponsor Cell Phone Recycling Events. Here's how it works:

1. A specific day/week is selected by your group to collect used cell phones to benefit FVPC.
2. We will provide drop off boxes, signage (if needed) and tax receipts.
3. Your group publicizes the event via your own internal notification system to inform employees/members.
4. We pick up all cell phones at the end of the event.

If you would like to sponsor a Cell Phone Recycling Event, please contact volunteer Conni Rivers at hcrivers@hotmail.com or call FVPC at: (919)929-3872.
